

INEE 2014 GLOBAL CONSULTATION

A faint, dotted world map is visible in the background of the lower section of the slide.

**Help shape the vision for
education in emergencies from 2015**

The world is changing....

We will have new global development goals in place from 2015.

Regardless of how education is included in those goals, we will have to ensure the right to education in crises and emergencies.

**... We need a vision
for the future!**

How do we vision as an education in emergencies community?
